THERE WILL BE NO REGULAR PROGRAM for the regular Rotary luncheon on Tuesday, January 27, at Spenger's due to the fact that many of the members will be in Reno and will make-up at the inter-club meeting at noon on Monday. The Albany Club, will however, hold a panel session at the usual hour for make-up purposes for members of the local club as well as visitors. Last Tuesday members

of the club heard a very interesting program in which a group of young divinity students spoke briefly on the subject of "What Makes Men Become Ministers." The students were introduced by the Rev. James Comfort Smith, a member of the Berkeley Rotary Club.

THE LADIES AUXILIARY OF VFW POST NO. 2658 held its first meeting of 1959 on January 13. Agnes Baker, hospital chairman, and her committee reported on arrangements for the hospital party at the Livermore VA hospital, and the auxiliary's project for the year of furnishing carpet slippers for the hospitalized men, and knit TV slippers for the women. The members voted to give a scholarship to an outstand-

ing senior at Albany High School this year. There will be a Sewing Club meeting at the home of Mrs. Bertha Scholz, 1225 Hopkins Street, on January 29, starting at noon.

ALBANY SENIOR CITIZENS of the Community Center recently joined Florence and Harry Jacobs of Albany in celebrating their 48th wedding anniversary. Their niece, Florence Stiltner of Richmond, sent them two home-made cakes which she suggested they share with their Senior Citizen friends at the Community Center. Florence and Harry were warmly congratulated and a very pleasant evening was spent by the group.

CUB PACK 50 has invited the public to a meeting at 7:30 p.m. on Friday, January 23 in the Veterans Memorial Building, to see a demonstration of tumbling by students from the California School for the Blind. The tumblers, members of Scout Troop 2, and Cub Pack 14 at the Berkeley school, are led in their exhibition by Scoutmaster Charles Buell. The invitation to the public has been extended by Cubmaster Gil Freels of Pack 50.

ELMER NELSON, Superintendent of Albany Parks and Recreation, will be the speaker at the next meeting of the Albany Dads Club on Tuesday, January 27, at 8 o'clock in the high school cafeteria. Mr. Nelson will give a resume of the activities which the Recreation Department is presenting for the citizens of Albany, with a stress on those activities designed for the teen-age group. A discussion period will follow the talk. President Hal Wood will preside at the meeting, which will be followed by refreshments.

Berkeley YLI No. 58 To Receive Deputy

Berkeley Institute No. 58, Young Ladies' Institute, will receive the official visit of East Bay District Deputy, Miss Alma Pucci of Laurentian Institute, Oakland, Tuesday, January 27, 8:15 p.m., 2238 San Pablo Avenue, Berkeley.

Institute President, Miss Catherine Sweeney, will preside and those on the various committees are Misses: Ellen Sweeney, Patricia Donovan, and Irene Letizia and Mesdames: Agnes Siefert, Mary Mandatory, LaVonne Ginty, Gertrude Miller and Louise Heston.

ALBANY HIGH TWELVE CLUB recently held its installation of officers for the year. From the left are: Cecil N. Lavers, member of the club and a state officer; Harold G. Denham, retiring president; Dr. Everett Coe, incoming president, and Fred Doty, installing officer.

'Youth Sunday' At Northminster Presbyterian

Sunday, January 25, has been designated as Youth Sunday at the Northminster Presbyterian Church. In past years this has been one of the highlights of the Youth Activities. The worship service, both at 9:30 and 11 a.m., will be conducted by young people from the Church School and the Westminster Fellowship evening groups.

Three young people designated to bring the sermon are: Deanna Covington, Marilyn Hobbs and Steve Zecher. The general theme is, "Dare We Live in the Household of God." Specifically their topics are:

Deanna Covington — "A Confessing Community" — What is the household of God?

Marilyn Hobbs — "A Committed Community" — What does it mean to live in the Household of God?

Steve Zecher — "A Concerned Community" — What are the risks of living in the Household of God?

The other participants in the service are Dick Dowling, Linda Dennis, Nancy Conover, Kathleen McLellan, Jack Turner Jr., Rita Afflerbach, Steve Donaldson. The special music will be a vocal duet, "In the Garden," by Joy Havens and Connie Scott. The Chancel Choir will sing the anthem under the direction of Roy Culbertson.

Carol Culbertson will preside at the organ.

That same evening the young people will have their annual semi-formal banquet. The banquet committee chairmen are Sharon Lehmer and Sandy Wilson. The feature attraction of the banquet will be Roy Culbertson who will be the entertaining master of ceremonies; also Doug Bright and his band will play several popular selections along with other entertaining features.

The pastor of the church, Rev. James B. Hubbell, will be the evening speaker. The topic of his talk will be, "The Challenge of Youth in a Changing World."

Jerry Neuhauser To Sell Automobiles

Jerry Neuhauser, recently retired Albany Police Inspector, will now be seen in a new role. He's just gone to work for the Curt Campbell Ford Agency in Albany.

Neuhauser, 44, after having been hospitalized for months as a result of an accident when the police car he was riding in with a fellow officer crashed in an attempt to avoid striking a car which had turned suddenly in front of them, has been awarded a pension by the city. The inspector suffered permanent injuries to his right leg. He had served for 14 years as an inspector. He has been active in civic affairs and is a member of the Albany High Twelve Club and various Masonic bodies.

E. B. Chevrolet Plans Showing of New Sport Sedan

As a formal welcome to a new comer in the 1955 line of Chevrolets, East Bay Chevrolet Co. will hold an "Open House" in its showroom at 916 San Pablo Ave. on January 22-24.

The debutant is a Bel Air Sport Sedan, whose raldish design and rich appointments promise to make it a favorite in the automobile in luxury's most distinctive series of new passenger cars.

Although the Bel Air Sport Sedan has been selected as the star of the special exhibit, East Bay Chevrolet Co. finds still another reason for showroom decorations and ceremonies. "The fact that Chevrolet has only recently been able to build up a sufficient stock of display models gives the 'Open House' a double meaning," according to A. D. Hackson, owner of the firm.

"Because of circumstances beyond our control, we did not have a normal variety of body types at the time of the official announcement of 1955 models last Fall," he explained. "Now we are able to show and demonstrate models that production delays previously restricted."

Introduction of the Bel Air Sport Sedan, or "four-door hard-

Soroptimists Plan Theatrical Show

Mrs. Connie Atchley, program chairman, announced today that on January 31 at 8:00 p.m. the Soroptimist Club of Albany will go "theatrical" when the Club takes over the house at the Richmond Community Theatre for a Benefit Performance of the original play, "The Orchid Sandwich" by Louis Flynn. Louis Flynn is well known in Little Theatre circles for his performance as the lead in the Richmond Community Theatre's successful run of "Harvey."

However, he will play a minor part in "The Orchid Sandwich." The leading role, that of Louise, will be played by Sherry Sailer, who has appeared with the company of the Golden Hind as well as the Richmond Players. Tickets can be obtained from any Soroptimist member.

as it is more widely known, was prompted by the enthusiastic public reception of the 1950 sport sedan in the Impala series. Due to the immediate popularity of this styling, the company decided to make a sport sedan available at a lower price. The car has a flat roof with rear window overhang. It is two inches lower than the two Bel Air sedans which originally comprised the series.

Motorboat Numbers Remain 3 In. High

SAN FRANCISCO — "Not less than three inches high" will remain the specified vertical dimension for bow numbers on boats to be numbered under the Federal Boating Act of 1953.

Coast Guard recommendations for implementing the new act had included a change of the dimensions of identifying boat numbers to four inches. But unanimous objections led the Coast Guard Merchant Marine Council to retain the former "not less than three-inch" specifications following the public hearing on December 9.

Royal Ontario Museum Has Treasures Galore

(Right) Chief Technician of Palaeontology R. Hornell does a repair job on the skull of a sabre-tooth tiger found at Talara, Peru.

At a busy corner of Toronto's fashionable Bloor Street and elm-lined Avenue Road stands a massive, three-story grey-stone building which is annually visited by more than a half million public school children, high school students, university graduates, post-graduate scholars, savants, and interested visitors from every walk of life and from all sections of the western world.

It is the Royal Ontario Museum, whose spacious galleries are crammed with glass cases holding many million relics of the world's storied past and valued at well over \$100,000,000.

The exhibits include yellow bones of sabre-tooth tigers, dinosaurs and mastodons; flint arrowheads and stone axes of Early Man; cloth-wound bodies and leather faces of 4,000-year-old Egyptian mummies; life-like statues of long-dead Chinese mandarins and fierce warriors; Venus shaped busts of Grecian and Roman ladies; swords and armor of medieval knights; stuffed bodies of pandas, anacondas, sharks and every other kind of animal, reptile and fish; and numerous collections ranging from the minerals of the world to 19th Century gowns. Bay Bass Fishing Best in 20 Years

The San Francisco Bay Regional Water Pollution Control Board announced today that it is receiving reports of good striped bass fishing throughout the entire Bay, with the exception of that portion south of Palo Alto. Some sportsmen declare this has been the best year for fishing since
